## Notes:

⇒ Give a gift that lasts twelve months. A membership to the Charles Paddock Zoo is a gift that brings smiles for one full year. Purchase memberships online or call the Central Coast Zoo Society at (805) 470-3182.

⇒ Student memberships are only \$20 per year. We encourage Cal Poly and Cuesta students to come see the Charles Paddock Zoo and Atascadero Lake Park.

⇒ Don't let your membership lapse. In future issues of Zoo-logic you will continue to find information about the nearby Zoos and Aquariums from our reciprocal list.

**Holiday Magic, Dec 19~** Use your membership card and join the animal care staff at the Zoo as we give “special” gifts to our animal residents. Santa will be on hand to help (and to take any last minute requests!) Have a hot chocolate and help us thank our animal friends. This festive event takes place from 10:00am – 4:00pm.

**Your Tax Deductible Donation will help the Zoo in 2010~** Now is the time to send a Tax Deductible Donation to the Central Coast Zoo Society. Your tax deductible donations will help keep the Zoo and all of its programs running. Simply send your check made out to Central Coast Zoo Society and include a note to let us know how you would like us to use your donation. For example-- you can sponsor an animal, help buy food for the animals, or perhaps you prefer to help support the Education Department. For other options call (805) 470-3182. The CCZS will send you a letter that you will include with your tax return to the IRS stating the amount you donated and that you have contributed to a 501(c)(3) organization.

and Your Family a Very  
Happy Holiday!**

**⇒ Get the most value out of your membership...  
use your reciprocal list to locate nearby zoos!**

One of the benefits of purchasing a Zoo membership is having access to other zoos in California and beyond. If you don't have a reciprocal list, be sure to pick one up from the Central Coast Zoo Society Office, or at the ticket window at the CPZoo. When planning your trip to a zoo on the list, be sure to call that zoo to verify that they will be open and be sure to ask about any additional fees or charges—such as parking.
